Although his yearbook cover may only say "Advisor," to all those with whom he has come in contact, he is much more. Some know him as coach, others as a teacher, and a few, as a study-hall monitor. In one capacity, however, he is known to all faculty and students alike. He is the only person allowed to walk the hall in shorts. And when we see that smile and those sexy legs, we can not help but smile back. For this reason and for so many others, we, the Senior Class of 1978, would like to dedicate our yearbook to Mr. Ronald E. Insinger.

Lori,

Well, with your help we had an outstanding basketball season and alot of fun. Will never forget all the good times. I'm looking forward to next year. It certainly will be a challenge, but I'm sure we can do the job. Have a good summer - Don't party too much?! Get a basketball out now and then and shoot some hoops. Good luck in softball.

Best Wishes,

CI

SENIOR CLASS OFFICERS: **Row 1:** L. Gray, SECRETARY: T. Logue, TREASURER; M. Petter, HISTORIAN. **Row 2:** Mr. Mitchell, ADVISOR; J. Tripoli, PRESIDENT; P. Cummings, VICE PRESIDENT; Mr. Insinger, ADVISOR.

NATIONAL MERIT COMMENDATION: T. Logue, B. Cohen.

DISTINGUISHED AMERICAN HIGH SCHOOL STUDENTS: **Row 1:** T. Logue, A. Serang. **Row 2:** D. Moroz, B. Cohen, L. Neufer, D. Rabzak. **Row 3:** J. Farley, W. Weader, V. Spitler.

Luis Levy is a 17-year-old foreign exchange student from LaPaz, Bolivia. He came to Loyalsock in January and is living with Mr. and Mrs. Donald Burns.

In Bolivia, Luis attended an all boys school where a year begins in February and ends in October. Because of this, Luis has already graduated from High School, and his graduation here at Loyalsock will be his second time around. Although "Quemestry" or Chemistry, is his favorite subject and Physics his hardest one, Luis thinks our school is much easier than at home. Luis has had four years of English because it is a required course from 9-12 grade in Bolivia. He has also enjoyed playing "hangman" and "silver dollar" on our computer although he admits he has had practice with computers at home.

Luis says the United States is much different from Bolivia although a lot of things we do and eat are the same. Luis's favorite hobby is playing pool but he has tried new things while here at Loyalsock. Skiing is one of his new experiences. He described it by saying, "it was very cold and my jeans were very wet because I fall many times!" He says he loves the snow but it gets colder here than he likes. Hamburgers are his favorite food but he "likes to taste lots of foods." Luis comes from a family with 3 brothers, 1 sister, 4 dogs, a cat, and a "bird that sits in a tree and speaks," or a parrot. But Luis admits the one thing he misses the most at home is his girlfriend, Liz.

Another new student in Loyalsock is Anne-Lie Persson-Agge from Sweden. Anne-Lie came to the United States on August 21. She went to Williamsport High School until January 10 when she came to live with Peggy Ann Economu and family and attend Loyalsock.

Anne-Lie has taken English since it became a mandatory course in third grade. Our school is easier because there are only five subjects a day compared to eleven at home! Sociology is both her hardest and favorite subject here at Loyalsock. She has also taken a class at Yale University on Alaska and Hawaii.

Anne-Lie claims things in America to be "mostly the same" although she has tried some new things like hoagies and bowling. Her first three bowling scores were 31, 83, and 51! McDonald's is her favorite place to eat although P-nut butter is her favorite food to eat!

Anne-Lie comes from a family with two sisters, and the one thing she misses most, her 8-year-old cat, named Tusse.

Lori

To a really nice girl I got to know during my stay here in U.S.A. Remember all the lines in bus. math. I hope you will be next year basketball star a good luck with everything you do.

Alfredo Muskus is another foreign exchange student visiting Loyalsock. In January he came from Caracas, Venezuela to stay with the family of Terry Dorner. Last October through December Alfredo studied English at the Babson College in Boston.

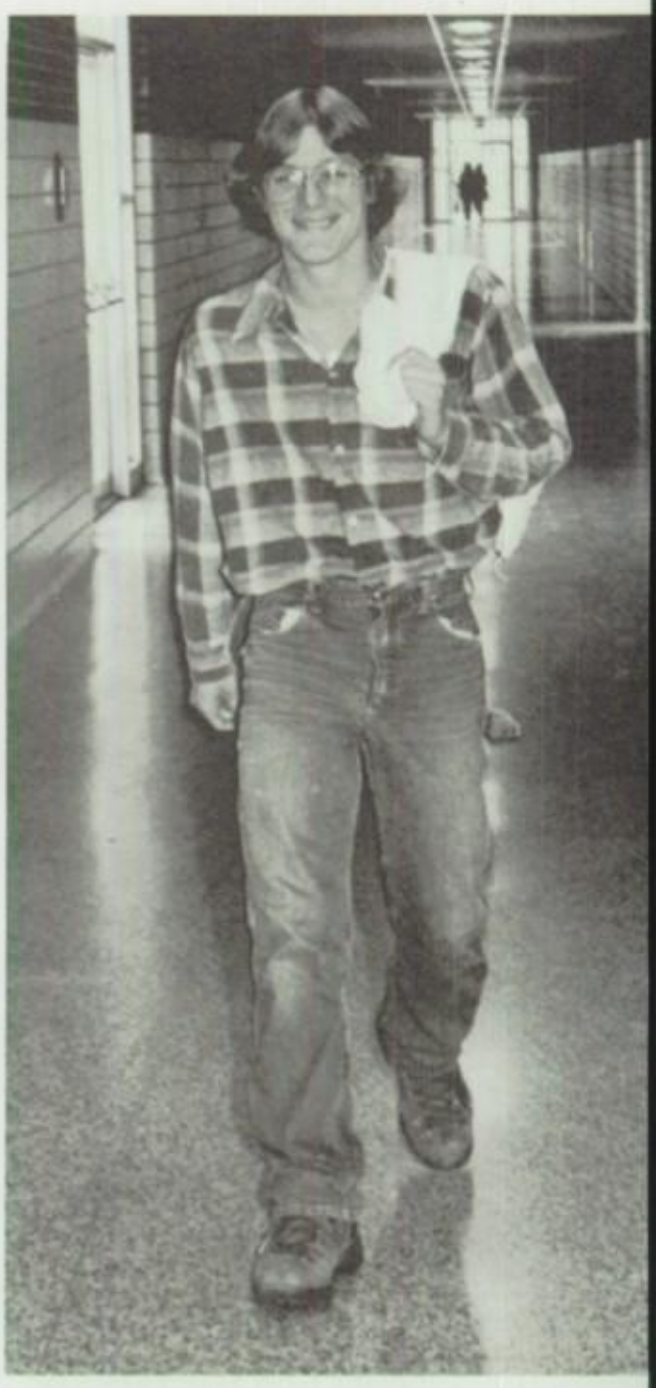
Physiology is his favorite subject because he loves the involvement with animals. At home he has a dog, some cows and bulls, and three horses. Horse riding is Alfredo's favorite sport although he likes baseball, "footboll" or soccer, and jogging, too. He has participated in "coleos," similar to our rodeos, and enjoys the chance to test out his riding skills in competition. He has also had the opportunity to try skiing for the first time in his life while here in the United States. Although he really likes it, he says there is no way he could ski at home considering it does not snow in Venezuela! He has also played basketball for the first time here at Loyalsock. His favorite foods are "meat," ice cream, pizza, and subs. Alfredo says he really likes Loyalsock because his "classmates are very nice persons and the teachers are very nice, too." Mr. Engel is the only teacher he singled out by saying he is "alegre!" Color television is one of the pleasures he enjoys in his free time because all of the televisions at home are black and white.

Alfredo comes from a family with one brother and one sister. After graduation in June, he plans to return home in November and continue his interest in animals by studying veterinary medicine.

Take that, WOMAN!!

You really expect me to eat this stuff!?

Loyalsock's chorus line!



All right! I got away with it!

Two heads are better than none!

We said sit **on** it, June, not **in** it!

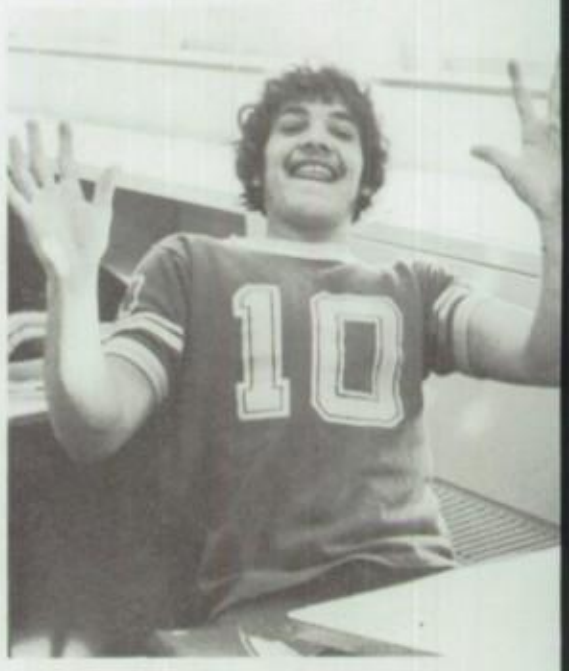
Ah, gee guys . . .

Gosh darn!!

You can't have my GUSTO!

The look of concentration.

Oohh!! THAT'S COLD!!



Don't shoot! It's me, Lippos!

I've heard of padding, but this is ridiculous!!

We'll Remember You,
John, in Our Prayers

When angels in heaven are
guarding the good,
As God has ordained them to
do.
In answer to prayers
We have offered Him,
We know there is one watching
you
And may its bright spirit be with
you through life
To guide you up heaven's
bright stairs,
And meet with the ones who have
loved you so true
And remembered you, John, in
their prayers.

To be eligible for the Varsity Club, students must have earned a varsity letter. This year under the direction of Ken Robbins, the club sold T-shirts to raise money to buy varsity jackets.

The main function of the Pep Club is to promote school spirit. They helped accomplish this by selling carnations for the Montoursville game and organizing "humorous" skits for pep rallies. They were the major factor responsible for psyching our teams to victorious seasons!

Loyalsock's Ski Club gives members a regular opportunity to ski at Oregon Hill. Each member must pay dues to make the trips feasible. Their advisor this year is Mr. Engel, and their president is Eric Weiner.

This year the Lancer Marching Band, in addition to entertaining at football games, was very successful in competition. For the first time in its history, our band qualified for the Atlantic Coast Championship, placing sixth overall. Another outstanding performance earned them first place at Northampton competition. Next year, spectators can look forward to watching them in new summer uniforms.

The 1977-78 gymnastics season was very successful. The team was led by Seniors Kris Holmes, Marlene Petter, and Valerie Spitler. With an 8-wins-and-4-loss record, the team expects another good season next year.

The girls did a fine job in Districts where Valerie Spitler placed first on balance beam and second on floor exercise. Everyone on the team did well, most of them placing in the top ten in their respective events.

It is easily seen that all the hours of diligent practice and great amounts of dedication paid off. Good luck to the senior girls after graduation and best of luck to next year's team.

Dogpatch U.S.A. — the hometown for such folks as Lil Abner, Daisy Mae, Mammy and Pappy Yokum, Earthquake McCoon, Jack Ass Fogbound, General Bullmoose, Stupifying Jones and Evil-Eye Fleagle, was the scene of the 1976-1977 musical. The play was directed by Mrs. Karen Witcoskie and Mr. Thomas Shellenberger. After many weeks of practice, the play came off, miraculously, a success.

A large cast, composed mostly of juniors and seniors, dedicated a lot of time and effort to put the play together.

A cast party following the last performance was also a "success."

Prom — May 28, 1977

In February, the class of '78 started planning their prom. They chose chairpersons and voted on a theme. The majority ruled and the theme was Hawaiian Tropics.

Many long hours of work were put into the decorations, the construction of the bird cage and the bridge, not to mention all the other added attractions. The food was excellent and the music was good.

The seniors selected Tammy Hepburn as their queen. She was presented with a bouquet of red roses and a crown by the co-chairpersons.

Remember the goldfish,
Remember the tissue-paper flowers,
Remember the tikis,
Remember the potted palm trees,
Remember shelling out the melons,
Remember your date,
Remember the parties after,
Remember the good times.

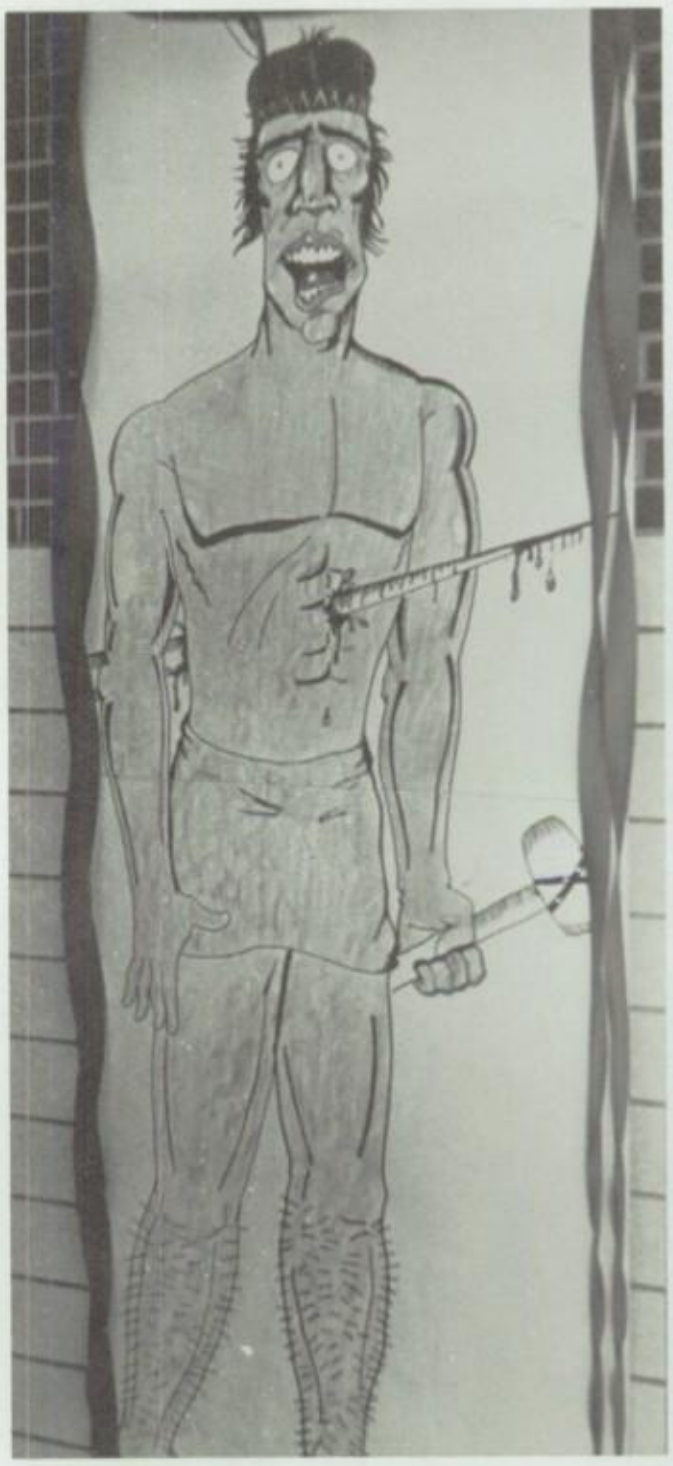
CO-CHAIRPERSONS: Jeanne Hoover
John Tripoli

We would like to thank all the chairpersons and all those involved with the prom for helping it to be a success.

Spirit Week, held the week before the Montourville football game, was enjoyed by everyone concerned. All three classes, senior, junior, and sophomore, did a great job of decorating. The decorating took a lot of days and nights. There was not an empty wall or ceiling to be found. The judges of the decorating contest could not choose a winner, so the three classes all tied for first.

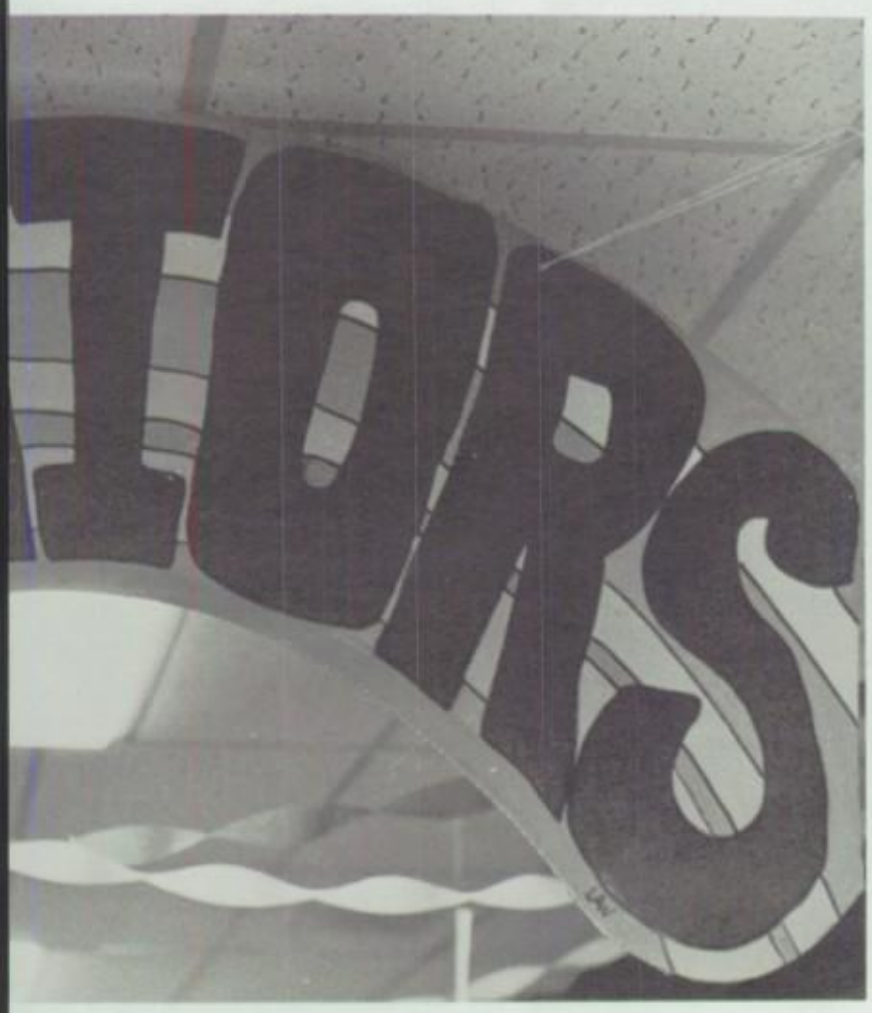
The cheering competition also ended up in a three way tie. Everyone was pleased with the results. It was a fantastic week.

The SENIORS have it all!!!



Fire Up Crush and Kill Montour!!!

You said it!!!



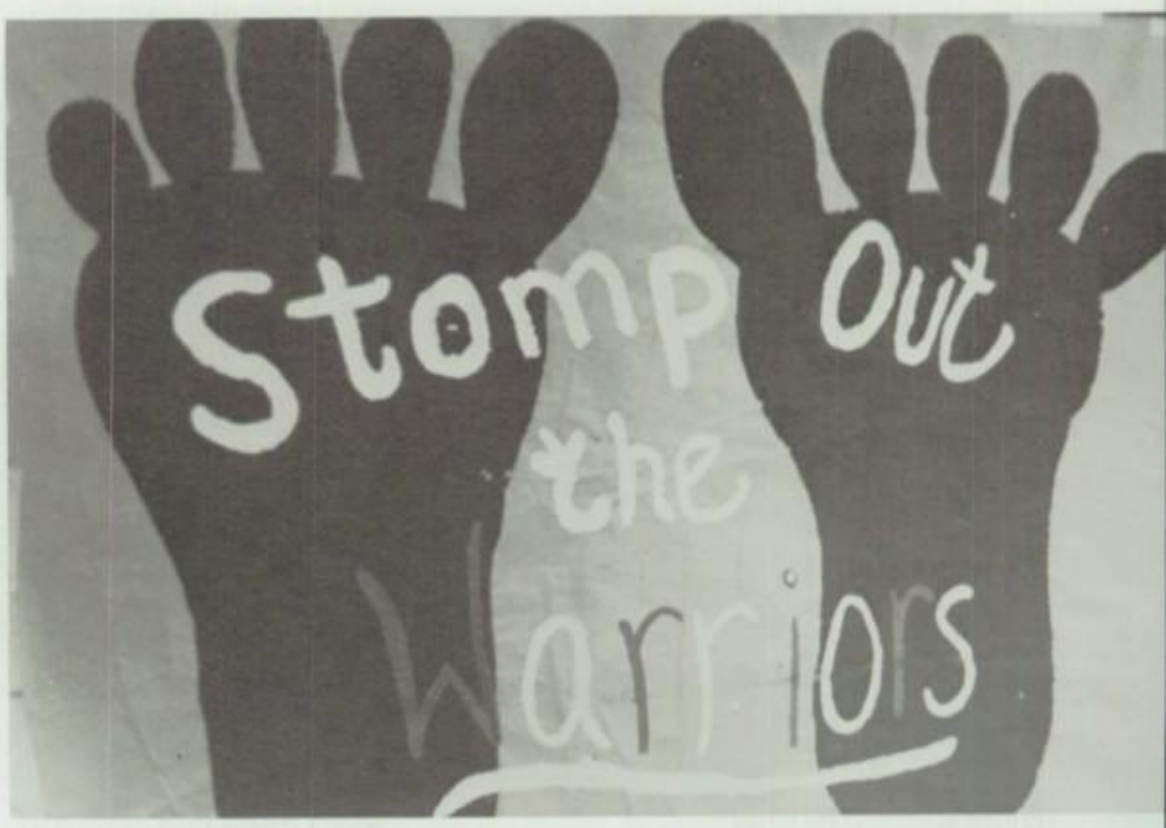
Who do they think they are?!

Is GREAT!!

Spirit Week came to a grand finale at the bonfire Friday night. Jim Bell, Pete Cummings, John Major and Joe Hume mounted the wood pile and read Montour's eulogy. The enthusiasm of the cheerleaders and the crowd provided encouragement for the team that night and during the game the next day. We would like to thank all the guys who helped gather wood for the bonfire.

The next day, before the start of the game, a band of 'Sock supporters marched around the field to our side, carrying a casket (with a Warrior inside), the box of pansies Montoursville sent us and a tombstone. A lone bugler was playing taps.

The game was pretty exciting, mostly due to the fact that Montour is our rival school and the spirit of the crowd showed. We'd like to thank everyone for participating in Spirit Week and for their support during the game.



Well, we tried!

C HOME M I N G

The homecoming court awaits the crowning.

Our chaperones?!

Which ones are the Halloween decorations?

This year, the senior class decided to try something new. Instead of having homecoming during Christmas vacation, they decided to have it during football season. Since the decision was made part way through football season, and since most people come home to see the Montoursville game anyhow, Saturday, the twenty-ninth of October was chosen as the date.

The music was provided by "Pendulum." The court consisted of Tami Vannucci, Judy Divel, Pam Golden, Jeanette Fullmer and Wendy Weader. Pam Golden was chosen queen.

We hope that the senior class next year will be a little more organized so we can have a good homecoming, too.

Information Please!

The information herein included is top secret and is being revealed for the first time. This is how it was gathered. We snared one unsuspecting member of each class, packed them into a car, snuck out to Stereo House during lunch (Sorry, Mr. Bossert), and fired questions. For their replies they searched the racks for appropriate songs. We extend our thanks to unwitting victims and to the helpful song writers who wrote such nice song titles.

Senior Will

We, the Senior class of June, 1978, having spent all our money on dates, yearbooks, tickets, parties, senior keys, and proms, find ourselves unable to leave any objects of great value to our beloved exmentors. In fact, we haven't even the available funds to leave them albums, so we hope they will be content with only the song titles.

As seniors, we leave this school with good memories, good times, and good friends, to supposedly go on to bigger and better things. We will return someday, to visit, and our memories will begin to haunt us. Cherish these memories you hold within yourself, for they are the only part of you that can never be destroyed.

Steiny,
well, the year is finally over. We really had fun this year + I'm so glad we got to know each other better. You are a great friend + you make things alot more fun. Bus. Math was a bummer; how many zeroes do we have now?! Ha! English was boring, but we always did something to make it through that class. Always munching out in the back of the room. me with my cookies, + you with your taffy! American Cultures was really sad, but we found ways to make that class a little more worthwhile, Have a terrific summer, we will definitely get 'together!

Lou,

You won't remember we were together more during school at the beginning before and
got all high + mighty about dating + then of course you can't do anything with me
because you are usually with Celeste and she
"dislikes" me. Doesn't she know "All's fair
in love + war."? Hopefully this summer
we will get together a lot more, especially
during the day when John is working. We can
go out to Slatedam + maybe I'll even have John's
car. Even though it doesn't seem
it most of the time you're my best friend next
to John. If you think you can pull yourself
away from Celeste for a night we can go out
something. And don't be afraid at me get
that. I'll even get high. Yes I do get high
still. Maybe we can even go see "American
Graffiti" again. If we ever make it to a swim
team practice [illegible] good. (?)
Well, if my mom [illegible] I will have
a party with a few [illegible] friends. You of
course will be one. See ya this summer. Just
think, next year we'll [illegible] seniors. (Woo!) Party
Hearty Heinz (I know [illegible].)

Love,

I couldn't have made it through
basketball without you. I don't know
how you do it, but somehow you always
could tell when I was upset. Thanks
for listening and talking things out with
me. I'm really glad I got to know you.
It too bad it couldn't have been like

High, are you? We've had a hell of a lot of fun this whole year. I had a really great time on b-ball. I hope you and everyone else did too. The parties were great. Too bad yours got a little ~~final~~ rowdy. I know I'll see ya alot this summer at parties. We have 2-half kegs planned for the country-club pool party already. Take care and have a safe dust-less summer. Luv,

Lordi

Cathy. Remember at the Barn"
"assorted nuts" and "walnuts." I'll never
forget that) I hope I get to know you
better over the summer! Stay cool, But

Lori,
What can I say but that
Its been a Hell of A Big
Party ever since B-Ball started.
Its been really wild doing all the
things we did together. First we started
Partying in Junior High around B-Ball season
and lost some of the Games. Then the next
year you went up to J.V. B-ball and we never
did anything together. Now That I'm up at the
High School we party again. This is going to
be a great summer. going up to Slaptown and sleeping
out at the fort. And of Course Getting Bonged
Away!! I hope you have alot of fun getting up
at 9:30 every morning and going to Swimteam and
Just to have Steve throw you in the pool. I dont know
what else to say because I talk to you all the time.
Just- I'll Talk to you later
Love
Celeste Caulkins

(Story),

well Sim really glad we got to know each other this year. Soft ball was alright this year but next year will be better. Basket ball was good in the beging but not so great at the end, but we will forget it in the future. The parties we had after the games the were alright, but the best was when we were on the bus. Time was really blasted.

Remember english class now we always try to get out of it from a pass from J. J. She was always our life savor.

This summer will be great, Sim glad your playing softball this (year) summer, it's gonna be a blast. get drunk alot and of the tuments. Remember going to Hess store and got a pitcure taking at Hesses. While L.D and Mr. Fay were there. Remember when we were try to find where Scott lived and we found it by the sound of where the music came from, we were going up stairs that night. Remember thats the night I found it. Well I no I dont have to say call in the summer cause you'll be around playing soft ball with us. Lake Charles.

A/F/A.

Love Ya,
Marty Meyers

Lori,
Thanks for being a freind and you're
flipped at parties and thanks,
Jeff Herwitz
